

Thank you for your interest in our Detailing Seminars.

Hosting "Workshops" or seminars for car enthusiasts is an important part Meguiar's everyday global activity. In the UK we have spoken at many club regional and national meeting venues about Meguiar's automotive surface care. In the summer months, weather and venue permitting, we follow our PowerPoint presentation with some hands-on practice of techniques and products on a members car, typically in the car park.

With the recent move to our new facilities in Daventry, it is now possible for us to host such events almost entirely indoors, in optimal conditions. We can also do a live demo at your club AGM or annual meet.

Our seminars consist of:-

- A 45 minute presentation of "Best Practice" in the Training Room. This is a great opportunity to ask questions and hopefully dispel a few myths.
- An hour or so working on a visitor's car in our Detailing Bay to demonstrate products and techniques and give visitors an opportunity to try for themselves.
- Every visitor receives a pack of sachet samples to take away.

We aim to attract enthusiasts with a passion for making their car look the best it possibly can. When such people have experienced Meguiar's products for themselves, they invariably become advocates for our brand.

In the final analysis our motives are entirely selfish.

Our facilities can accommodate 12-20 people, and we will provide refreshments during the morning. We aim to start the seminar at 10am but ask if you can aim to arrive for 09.30am where we will provide refreshments.

Regards

Meguiar's UK

PLEASE NOTE: Lampport Court is currently not on all Sat Nav systems. Use either Lampport Drive or Newnham Drive.

Leave the M1 at Junction 16 and follow the A45 towards Flore/Weedon.

At the cross roads in Weedon, continue straight ahead on A45 towards Daventry.

At the 1st roundabout in Daventry, take the 1st exit and follow the A45 towards Drayton Way (on map above)

Once on Drayton Way you will pass through a set of traffic lights, and take the 1st exit at the roundabout into Heartlands Business park.

Take your 2nd left into Lampport Drive and follow the road to the end where you will see Lampport Court and the Meguiar's UK HQ.
